

Robbie Williams - Angels

E
 I sit and wait. Does an angel contemplate my fate.
 And do they know the places were we go when we're grey and old.
 Cuz I have been told that salvation lets their wings unfold.
 So when I'm lying in my bed,
 Thoughts running through my head,
 And I feel that love is dead.
 I'm loving angels instead.

And through it all she offers me protection,
 A lot love and affection, whether I'm right or wrong.
 And down the waterfall wherever it may take me,
 I know that life won't break me.

When I come to call, she won't forsake me.
 I'm loving angels instead.

When I'm feeling weak and my pain walks down a one way street.
 I look above and I know I'll always be blessed with love.
 And as the feeling grows
